Part-Time Teaching Positions Available!

Tutor Job Description:

We are currently seeking to hire tutors to provide educational services to children ages 4-15, for the 2023-2024 academic year. We are looking for applicants who love Christ and have a desire to help families educate their children in an Orthodox Christian learning environment.

Tutors provide educational instruction 2 days per week, as well as guidance to parents and students throughout the week, as needed. Classrooms are multi-age and use an integrated classical & Charlotte Mason curriculum. Previous experience with classical education is welcome, but not required. We primarily ask that potential tutors appreciate the ethos of homeschooling, have experience educating youth, and are willing to work closely with students and parents. Another feature of our program is a Montessori-style preschool and kindergarten. Applicants for this position may have Montessori training or a willingness to learn.

Vision:

Our mission is to educate the whole child by providing a rich academic and arts curriculum, grounded in Orthodox Christian values, while fostering love of learning, personal responsibility, and respect for each person. To do this, we partner with families to collectively meet the educational needs of our children, bringing together home, Church, and school in the context of the sacramental life of the Church.

Mission:

The vision of the St. George Home School Community Learning Center is to provide our children with a nurturing Orthodox Christian Classical education in a dual learning environment that operates in and outside the home.

More Information:

As a youth educational ministry, the Learning Center provides the facility and functions primarily on volunteers & donations. Families hire tutors as independent contractors and pay monthly tuition directly to the tutors for their services. Tuition for the 22-23 academic year is \$225/month. Currently, our classrooms comfortably hold 7-10 children.

The Learning Center is open Tues/Thurs 8:45-1:45 for main instructional time. Families need occasional assistance and support outside of these hours. Enrichment classes (i.e., cooking, choir, math tutoring, etc.) are offered to families as an additional option outside of these hours.

Please send resumes to hsclc@stgeorgeor.org or email us for further information.
